

SLAS Annual Conference 2012

Wednesday 18th: Friday 20th April, The University of Sheffield

Draft panels

Alongside each panel are details of the Convenor and the number of 90-minute sessions allocated to the panel. As you will notice, in a small number of cases this results in more (or fewer) than three papers in a session. Unaffiliated papers have been added to some panels, and some panels have been constituted entirely from unaffiliated paper proposals submitted to the call for papers.

In the case of the panels 'Screening Political Identities', 'Political and Economic Perspectives on the Crisis in Argentina' and 'Tourism, Culture and Place in Latin America', an additional paper would bring the panel to 3 papers/ session; if you are interested in offering a paper to one of these panels, please contact the relevant Convenor with a proposal direct, via the e-mail address provided below, by Monday 23rd January 2012.

If you no longer intend to deliver the paper you submitted to the call at the end of October, please inform your panel Convenor (and copy to slas2012@shef.ac.uk), also by Monday 23rd Jan 2012.

The **definitive list** of panels, abstracts and Panellists will be **posted in early February 2012**.

...•••

KEY: the number of 'Sessions Allocated' is denoted by *grey numeral* in the upper right of each proposed panel listing.
